

Dear Reach Out Parent/ Student,

We're excited to announce our summer calendar for Reach Out (Student Ministries at SCC). We have a pretty full summer that will be filled with fun. This is a great time to get connected to other students and leaders in the ministry. We hope you can join us. This calendar includes both our middle school (Revive) and high school (Renew) calendars. Each event will be identified as either a Revive or Renew event. Incoming sixth graders are welcome and encouraged to join us for all Revive activities. Incoming freshmen are welcome to participate in Revive and Renew events. We've also intentionally tried to keep our events as minimally priced as possible recognizing the financial crunch many of us are feeling. If cost is an issue for an event, please talk to Rob Denler about the possibility of a scholarship. Sign up sheets will be available in The Attic for each event. Deadlines for signing up for an event will be posted on each sign up. If an individual signs up after the deadline, the cost may increase depending on whether advanced tickets were purchased. Please feel free to contact Rob Denler or Taylor Shade at 590-1705 or rob.denler@sccrca.org or tshade15@gmail.com with any questions you may have regarding the schedule. Let's have some fun!
